

WE CAN'T WAIT TO SEE YOU!

Thank you in advance for your patience and understanding as we do our very best to rework our patient care schedule to accommodate everyone. Though we still have some limitations on how many patients we can see at once, we are opening up new capacities each week to help meet our patients' needs.

Those with more urgent dental needs are being prioritized for care. So please don't hesitate to let us know via email, text, or phone if you have any concerns or difficulties so that we can facilitate a remedy for you as soon as possible.

Please continue your home care until we see you in the office. (Heck, why stop there? Keep up the great home care after we see you, too!) By way of reminder: Brushing should be gentle, gentle, gentle, and take your time! Flossing should be consistent (daily) and hand flossing is best. Brush the back of your tongue using lots of water, and be kind to your chompers throughout the day (keep your jaw muscles relaxed the best you can)!

See you soon,
Dr. Harvey and the Summit Family Dentistry Team

WHEN YOU VISIT, PLEASE:

 <p>Wear a mask! We will be wearing them, too! Homemade masks or bandanas are perfect!</p>	 <p>Avoid shaking hands. We have eliminated hand to hand contact for now. (See below for some fun alternative greeting methods)</p>
 <p>Allow us to take your temperature. If your temperature is over 100.4 degrees, we will reschedule your appointment.</p>	 <p>Utilize Hand Sanitizer It will be available throughout the office and we will be sanitizing "patient-touch-areas" between appointments</p>
 <p>Practice social distancing To properly space patients, we also may have fewer options when scheduling your appointment.</p>	 <p>Call us to reschedule if you have a cough or fever, or have been exposed to COVID-19 in the past 14 days. We will screen you again when you arrive</p>
 <p>Limit the amount of people you bring with you. If you do need to bring people with you, please have them wait in the car, if possible.</p>	 <p>Our waiting rooms will not have items like magazines, toys, etc. as they are harder to clean and disinfect</p>

NOW OFFERING VIRTUAL DENTISTRY

We now have the capability to do virtual appointments!

If you would like to set up a virtual appointment with one of our doctors, please call our office at 303-989-9010

This is a great option if you are worried about coming into our office.
